

Chatter Boxes

What is a chatter box?

It is a box of items, centered on a theme.

What's it for?

To help assist in brain stimulating conversation with a resident.

THE GOAL:

To help family members & visitors who have difficulty coming up with ideas to talk to their loved ones about.

Who can use it?

Any staff member, family member, or visitor!

Where are they?

In the gray cabinet underneath the shutters in the front lobby .
